full of unending wows, at every step. Here's your
chance to be a part of Mumbai-Goa-Mumbai,
via the sea!

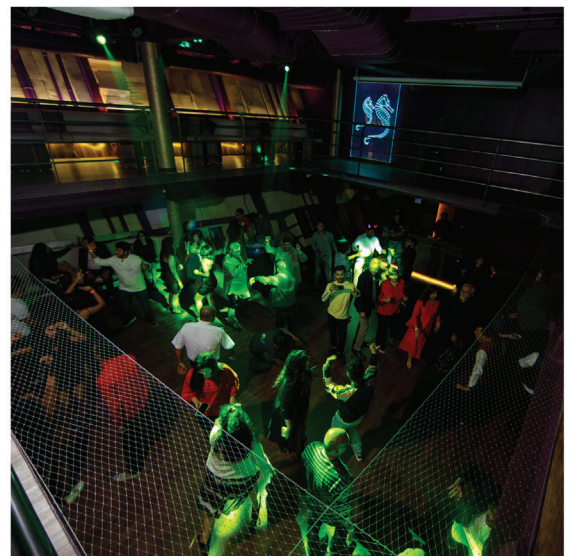

UNFORGETTABLE VOYAGE OF WOWS

REMARKABLE JOURNEY
SINCE OCT 2018

Dedicated to the memory of Sarkhel Kanhoji Angre, the first Admiral of the Maratha Navy, Angriya has successfully revived the Mumbai – Goa sea route after a gap of three decades. Angriya has completed a whopping 175 voyages, which is equivalent to two complete cycles around the globe, giving a fantastic sea-faring experience to over 40,000+ passengers from India and abroad.

This year was an eventful one with passengers getting a first-hand experience of the Arabian Sea's grandeur. Passengers enjoyed exemplary cuisine on-board, adding more joy to their choice of a brand new party destination onboard this first Indian domestic cruise ship, as she sails every alternate day from Mumbai to Goa and back on a 14-hour voyage.

INDIA'S FIRST HIGH-END FLOATING SEA VENUES

Be it product and service launches or corporate events and off-site venture openings, Angriya has had an array of prestigious launches and conferences with brands like Hyundai, SBI, ICICI and Seimens on-board in its first season.

Its high-seas events titled Anchored Arena now have a fan base across all age groups, while those who are wowed by whales, dolphins and pelagic birds take the voyage to watch this marine life in awe, accompanied by marine researchers.

WHITE GRANDEUR ON THE KONKAN HORIZON

Complete with 2 uniquely themed restaurants, lounge bars, a 24-hour coffee shop, a one of its kind infinity pool that overlooks the sea, Angriya is the ultimate White Grandeur on the Konkan Horizon.

While the joy of sharing a sunset or a sunrise with your loved ones at sea is a bucket list affair now, Angriya has also rekindled old sailing memories and offers a plethora of things to do on-board at night. Rest in one of her 104 comfortable cabins or party through the night along with live band performances on open decks and its deeply intriguing lounge space aptly named The Hold!

A GREEN SHIP THAT LEADS BY EXAMPLE

Indian flag bearer of the Konkan coast and committed to the green charter, Angriya is proud to be a green ship. While exhaust gas is reused for steam production that heats food and powers hot water for passenger use, waterless vacuum toilets ensure that fresh water consumption is at a minimum. Marine researchers are on-board as part of the team and document marine life, sharing it with passengers as well as the academic community.

DREAM TEAM

The all-Indian navigation and hospitality team are a mix of experienced sea faring mariners and young upbeat cruise management professionals with an impeccable track record who ensure that the voyage is smooth and fun-filled, every single time for 350 guests on board Angriya.

With visionary inspiration and zeal of the Maratha navy and absorbing warmth of the people of the Konkan and Goan coast, Angriya soars high like its mascot the White Bellied Sea Eagle. Angriya is an all-Indian cruise marvel one must embark on to experience a voyage of wows, with family, friends, or colleagues in 2019.
